## **SB 1019 - HB 1595**

March 28, 2001

**SUMMARY OF BILL:** Authorizes the Tennessee Wildlife Resources Commission to promulgate rules and regulations necessary to adjust fees for licenses and permits and to establish new licenses and permits as deemed appropriate along with necessary fees. Provides that adjusting or establishing fees shall be in such amounts as may be necessary to administer the provisions of the wildlife laws.

### **ESTIMATED FISCAL IMPACT:**

**Increase State Revenues - Exceeds \$1,000,000 Over Time/Wildlife Resources Fund**

Estimate assumes that eliminating the requirement for legislative approval will result in additional increases in fees, licenses and permits, in excess of what would have been approved in the absence of the bill, for programs administered by the Tennessee Wildlife Resources Commission.
